

## **Assessment Scenario Path 1 Selection 3 Video**

Angela: So why did you pick the tug of war?

Liz: Because Xavier doesn't wanna eat vegetables and I want him to.

Angela: Okay. Does he drink milk or juice?

Liz: Yeah, he drinks both but no soda.

Angela: About how much milk and juice does he drink?

Liz: About two cups of 1% milk and a cup of apple juice.

Angela: Great. And do you give him any vitamins?

Liz: No. No vitamins.

Angela: Okay. Just a few more questions.
