

Assessment Scenario

Path 1 Video

Angela: There is no right or wrong. These cards mean different things to different moms. And I'm interested in what card says something about how you feel about family meals.

Liz: So if I pick the roller-coaster card?

Angela: That'll be a great way to start a conversation about family meals at your house.

Liz: There is no right answer?

Angela: No. That's what makes these pictures so great. You can pick any card that speaks to you.

Liz: Okay. Then I choose this one.
