

## **Assessment Scenario Path 2 Selection 3 Video**

Angela: Okay. So does Xavier drink milk or juice?

Liz: Yeah, he drinks both.

Angela: What kind of milk does he like?

Liz: I give him 1%.

Angela: And how much milk does he drink each day?

Liz: About two cups.

Angela: And how much juice?

Liz: I think about a cup a day.

Angela: Is he picky about his food?

Liz: Not really.

Angela: Okay, just a few more questions.
