

Assessment Scenario Path 3 Selection 2 Video

Angela: Thanks. So why did you pick the boxing gloves?

Liz: I picked it up because you wanted me to pick a card. So I picked this one.

Angela: Okay. Well, why don't you just tell me something about meals in your home?

Liz: Well, Xavier's usually a good eater. He always eats his meals. He loves breakfast.

Angela: Does Xavier like snacks?

Liz: Yeah, he's a snacker. I try to give him healthy snacks, you know, like goldfish crackers and Cheerios.

Angela: And does Xavier drink milk?

Liz: Yeah, he likes milk.

Angela: What kind of milk does he drink?

Liz: 1%.

Angela: Good. Just a few more questions.
