

Assessment Scenario Path 3 Selection 3 Video

Angela: Oh, the boxing gloves. I bet I know why you picked that one. Your family fights all the time at dinner. That must be hard for you.

Liz: We don't fight at dinner.

Angela: Then why did you pick the boxing gloves? Everyone else who picks that card says their dinners are really stressful.

Liz: I picked it because you wanted me to pick a card. So I picked this one.

Angela: Oh, okay. I see. So does Xavier usually have a hard time eating at dinner?

Liz: No. He eats most of what's on his plate.

Angela: That's good. And does he drink milk?

Liz: Yeah, he likes milk.

Angela: What kind of milk does he drink?

Liz: 1%.

Angela: Good. Just a few more (LAUGH) questions.
